OBJECTIVE

Aiming to apply my skills in a dynamic role where I can contribute to achieving team goals while continuing to learn and grow professionally. I am committed to deliver high quality results and making a positive impact.

EXPERIENCE

Graphic Designer | 2023-present
Working Remotely

- Currently, I am working as a remote graphic designer, using my creativity and technical expertise to deliver engaging visual solutions for clients.
- With a passion for design and a commitment to excellence, I bring a unique blend of creativity and professionalism to every project I undertake.

Intern | 2023 (2 months)
WAMTSOL LTD

- During my graphic design and video editing course, I completed a two-months internship at a software house.
- Throughout this internship, I actively engaged in various tasks related to graphic design and video editing, honing my skills in software applications and creative design techniques.

Computer Teacher | 2019-2020
Huzaifa Academy

- My commitment to empowering students with essential computer skills and knowledge was reflected in their academic progress and overall growth in the subject.
